

THE BOAT HOUSE

SEAFOOD CAFE, BAR & TAKEAWAY

We are an independent family run business and fishing runs through our veins. We care greatly about the ocean and fish stocks, after all the livelihoods of local fisherman like us and the future of the industry depends on us working in harmony with our waters.

Our under 15 meter, inshore day boats use sustainable fishing methods including potting, line fishing and responsible trawling. We work within strict guidelines, on approved fishing grounds, ensuring that protected areas are left untouched.

Continuing Plymouth's proud fishing heritage, our seafood is locally caught, landed to our unit on Plymouth fish quay and delivered straight to the Boathouse, so you can be sure it is fresh and locally sourced!
